

May 30, 4:00—7:00 p.m.
Minnesota Boat Club (Raspberry Island)
1 Wabasha Street South, St. Paul

Minnesotans have the opportunity to support candidates who will make our state a great place to work and live—even in odd numbered years.

Join us on Thursday, May 30, and hear from Rob Engstrom, chief political strategist for the American Bankers Association. He oversees critical political operations for the ABA, the trade association for the nation's \$17 trillion banking industry and its two million employees.

A special performance by the River City Band will treat guests with live music and an evening by the river.

The Chamber's Leadership Fund PAC helps elect pro-business, pro-jobs candidates who work to create a competitive and flourishing economy for Minnesota. Your support is vital to this effort and helps grow the economy and create opportunity for all Minnesotans.
