

START DEVELOPING YOUR FUTURE WORKFORCE TODAY!

The High School Career Exploration Expo is your opportunity to inspire students to pursue careers in your field.

Is your business struggling to find skilled workers?

Assisting high school students with career selection is not only beneficial to the student, it is important to every local business to ensure properly skilled workers in the future.

Help put high school students on a path to success.

Do you know a college grad who can't find a job because they pursued education in a saturated field? The Career Exploration Expo is your opportunity to inspire students to seek out trade and educational paths in fields where there is a high demand in our region.

"What a great event and resource to provide these students. It was our pleasure to be part of this event!"

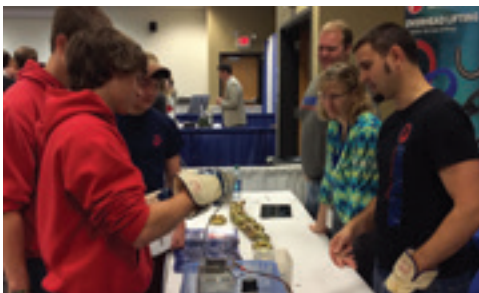

- Dahl Automotive

"Nice event! We enjoyed the interaction with students. Many were interested in what Kwik Trip has to offer them."

- Kwik Trip

"What a great way to show students the diverse job opportunities in manufacturing. Many kids are unsure of the career they want to pursue. This is a great way to expose students to a wide variety of careers and give them the opportunity to ask questions."
